

Grove Heritage Association Plant Sale

The GHA 2026 Annual Plant Sale will be Saturday, May 16 from 10:00 a.m. to 4:00 p.m. and Sunday, May 17 from 10:00 a.m. to 2:00 p.m. with hardy Native plants for only **\$9.00 per 4" potted plant!**

- We will be offering Native plants this year.
- This year’s Native offerings include a wide selection of forbs, grasses and sedges suitable for a variety of soil, moisture, and light conditions. Native perennial plants not only benefit the environment by promoting a healthy ecosystem, they provide a beautiful, hardy, drought resistant landscape with lower maintenance! Additionally, they provide critical resources to nourish pollinators like bees, butterflies, and hummingbirds.
- Our Native plant supplier, Midwest Groundcovers, grows its plants in a facility that does not use neonicotinoid pesticides and are guaranteed to be neonic free.
- Pre-order sales are encouraged and an order form is attached. Pre-order plants will be available for pick-up on Saturday, May 16 from 9:00 to 4:00 p.m. or on Sunday, May 17 from 10 a.m. to 2 p.m.
- Please return your order and check or credit card information by Monday, May 4, 2026 to GHA, P.O. Box 484, Glenview IL 60026. Additional forms are available upon email request to: groveheritageassoc@gmail.com

Thank you for your support. Megan Carroll and Rob Hevey
